

# Airfoiler Meeting Minutes

## August 2017

The August meeting of the Coffee Airfoilers was held on August 7th, 2017, at the club field. Club president Don Cleveland called the meeting to order at 7:00pm. There were 18 members present.

The financial report was presented by club treasurer Bonny Jenkins. Bonny presented the details of our July spendings. She also reported we now have 101 paid members, up five from the July meeting. A motion to accept the financial report was made and approved.

Field Maintenance: Scott Darrin. Scott stated he would like to schedule a work day in the fall after all the events have concluded to trim the overgrown bushes.

## Old Business

Warbird Fun-Fly, July 14-15-16 2017. CD Paul Green. The Warbirds event was one of the best in recent memory. There were some magnificent aircraft, and many excellent flights. Despite the rainy weather forecast, there was an excellent turnout, with 34 pilots attending. Thanks to sponsorships for the raffle prizes, the event provided a net profit for the club of \$1706.00.

National Model Aviation Day. Aug 12th, 2017. CD Charlie Jenkins. Charlie Jenkins briefed his final plans for the up-coming event - which we will use to benefit our local chapters of the D.A.V. in Coffee and Bedford counties. The event will be 10:00 am until 4:00 pm, all club members were urged to arrive at 9:00 am.

Giant Scale. August 18-19-20 2017. Co-CD George Schmidt. George stated the menu for the event is set, CD Bill Crawford had some great raffle prizes, and there have been a lot of on-line camping pre-registrations. George is anticipating another great event.

New Field Rules. Vice president Paul Green. Paul reviewed the proposed new filed rules, which were first presented at the July meeting. With only two modifications, the new field rules were adopted by a majority vote of the members present. The new field rules will be posted at the field and on the Coffee Airfoiler's web site.

# New Business

Rules for Unmanned Aircraft at Arnold AFB. Don Cleveland & Charlie Jenkins. The September meeting of the Coffee Airfoilers will be focused on a briefing by Base Security concerning the use of unmanned aircraft on the base, which includes R/C operations. Charlie briefed us on a meeting which he attended concerning the use of "Drones" on USAF properties and the requirement for each base to develop their own policy. Information from that meeting will be presented at the September meeting also. Don stated he was happy to report that in large part to Charlie Jenkins' input, Arnold AFB will not make any changes for radio controlled aircraft use on the base. It was proposed and approved that there will be Pizza served at the September meeting, which will be at the Gossack Leadership Center.

Quad Fun Fly. Don Cleveland stated that there has been no member volunteer to CD this event, therefore the event is cancelled for 2017.

Tony Kummerow presentation. Don Cleveland presented Tony with two new polo shirts (CAF Logo embroidered) and a hat to use as he will be the club's public parking director for Model Aviation Day. Congratulations Tony.

# Show and Tell

Ken Herrick showed his Q-500 which is modeled after the famous Skat-Cat design.

With no further business, the meeting was adjourned at 7:54 pm.
