

Airfoilers Meeting Minutes

February 2015

The February meeting of the Coffee Airfoilers was held February 2nd, 2015, at the St. Barnabas Episcopal Church. 18 members were present. President Don Cleveland called the meeting to order at 7:00 pm.

The financial report was presented by Treasurer Harold Jackson. Harold briefed the club members on the financial reports from the past 2 months, as there was no January club meeting. Harold also reported there are 53 club members paid in full for 2015. A motion was made and approved to accept the financial report.

Old Business

Airfoilers Winter Banquet. Don Cleveland. The Winter Banquet was held on January 15th, 2015 at the Oasis Restaurant, Winchester, Tn. We had GREAT turnout! Over 40 club members and their families attended.

Air Force Inspection. Don Cleveland. On December 16th, 2014, the Air Force inspected the Coffee Airfoilers flying site. The club passed the inspection "Well within compliance".

Certificate of Appreciation from the AMA. Don Cleveland reported our club received a certificate of appreciation for the donation we made to the AMA for donation to the Wounded Warrior Project. Don read the certificate to the members present.

New Business

Annual Board meeting. Club Officers. A summary of the annual Officers and Board Members meeting, held January 26th, 2015 was presented to the club by President Don Cleveland, Treasurer Harold Jackson and Secretary Paul Green.

Financial review/2015 Budget. Treasurer Harold Jackson reviewed the 2014 expenditures, and the 2015 budget. Harold has printed reports - available to any club member who asks.

2015 Schedule. President Don Cleveland had a prepared schedule of 2015 club events, which he passed to each member present. Don asked if there were any events to be added to the schedule. Mike Jenkins stated there will be one or two float flies to be added to the proposed schedule, he or Ernie Miller will provide

the dates to Don this month.

Five year plan. Secretary Paul Green briefed the club on the five action items selected at the board meeting to be completed in 2015. They are: 1) establish "sinking fund" (explained by Harold Jackson in 2015 Budget) 2) Improve the Pit Area 3) Improve the grass runway. 4) make a more "park-like" setting. 5) upgrade the by-laws.

Work Day 2015. Mike Jenkins proposed a field work day/clean-up. Saturday March 21 2015 was selected for our annual clean-up day.

Show and Tell

Great Planes Ultra Sport 60. Built and covered by Bob Spears. 7 pounds all-up. powered by an OS 91 4 cycle, covered in Ultra Coat red and white, trimmed with pre-printed checkered Ultra Coat. Beautiful plane!

Indoor flying at Unionville Community High School. For the next few months, the Unionville Community High School will be available for indoor flying on Sunday afternoons. Club member Mark Cannon is the contact person. if you are interested, call Mark at 1-931-580-4100. He will put you on the E-Mail list for the next available flying date.

With no further business, the meeting was adjourned at 7:59 pm.
