

# Airfoiler Meeting Minutes

## July 2015

The July meeting of the Coffee Airfoilers was held July 6th, 2015 at the club field, 20 members were present. Club President Don Cleveland called the meeting to order at 7:00pm.

The financial report was presented by club Treasurer, Harold Jackson. Harold also reported on the final fiscal reports of the Electric fun-Fly and the Float Fly. Lastly, Harold reported we now have 91 paid members, up seven from the June report.

## Old Business

New sun shelter. Don Cleveland. The next sun shelter (approved at the June meeting) has been ordered and will be in place for the Warbirds Fun Fly.

Electric Fun-Fly. June 6 & 7. Bob Beswetherick. Bob reported there were 22 registered pilots, the weather was hot but everyone who attended had a great time!

Club picnic and Longest Day Fly-In. June 20th. Don Cleveland. Our annual club picnic was a great time, over 50 members and their families attended. The picnic costs were paid by the club, and there were many wonderful home cooked dishes for all to enjoy.

Float Fly. June 27th. CD Mike Jenkins reported there were 8 pilots who attended the float fly, but everyone had a great time! Mike reported it was so much fun that he and Ernie Miller will be doing another float fly on September 5th, same location.

## New Business

Warbird Fun-Fly. July 18th. CD Paul Green. The grass will need mowing Friday, July 17th. The Raffle prizes are all in place, we will be ordering Subway sandwiches for lunch. We just need a few volunteers to work the concession stand and registration.

**New Club Trainer Airplane. Don Cleveland. Sadly, our first Apprentice 15e trainer had met an untimely demise. Don presented several planes to replace the Apprentice. George Schmidt made a motion to purchase a new Apprentice 15e. Motion seconded by Mike Jenkins. Motion passed. Don will buy the new trainer plane for the club.**

**National Model Aviation Day. CD Don Cleveland. August 15th. The AMA has again designated Wounded Warrior Project as their chosen charity for National Model Aviation day. Don stated he hopes to at least match the \$1,000+ Coffee Airfoilers raised and donated to AMA for the project last year.**

**Field Maintenance Issue. George Schmidt. George brought up the issue of gasoline at the field for our lawn mowers. He stated the every time he comes to the field and it needs mowing, there is no fuel for the mowers. George wanted to know what the club could do about this problem. After some discussion, a Field Maintenance Committee was named, which would have George Schmidt as the chair, along with four members who George would select.**

**Club and AMA dues. Harold Jackson. Harold reminded everyone that new club memberships for the club for the period of July 1st through October 1st will be \$15. Also AMA dues will go to \$75 for 2016. If you renew your AMA dues right away, you can still pay the 2015 price for the 2016 calendar year.**

## **Show and Tell**

**Ben Jenkins competing at the AMA Nationals in Indiana. Mike Jenkins reported that his grandson (and club member) Ben Jenkins, is currently competing in Intermediate level Precision Aerobatics. As of Mike's report, Ben was in first place in his division.**

**With no further business, the meeting was adjourned at 8:03 pm.**
