Don C. mentioned that we might need to purchase new batteries for the charging stations. It was mentioned that we had two batteries in the shed but it was pointed out that they were the original batteries and should have been turned in for the core charge. We discussed where we could get our batteries rebuilt. Ken said he would check out the possibility of getting them rebuilt and the prices on new ones.

Scott mentioned that we were given 6 railroad ties to use for bordering.

### New Bylaws
